

Rockville RainScapes Rewards Rain Barrel Rebate Application

Rainwater harvesting equipment captures rainwater runoff and reduces the amount of stormwater entering local streams, which leads to reduced chemical and nutrient pollutants entering waterways. Another environmental benefit of this equipment is water use for irrigation during droughts.

Who Is Eligible

- ✓ Projects must be installed at a private single family residence, homeowners association, condominium association, housing cooperative or other non-profit property located in the City of Rockville.
- ✓ Projects will **not** qualify for rebates if they are partially or completely finished before approval.
- ✓ Projects are **not** eligible if they are associated with permit approval requirements for new building construction, additions, or renovations.
- ✓ All requirements must be met as outlined below, in the application, and in the *Design Criteria and Guidelines for Project Eligibility* (attached). All decisions are final and are at the sole discretion of the City of Rockville.

Application Process & Requirements

- 1. Submit your application, property owner agreement, and other attachments.**
Complete the online application found at www.rockvillemd.gov/rainscapes. Send the Property Owner Agreement and additional attachments (organization approval, photos, sketches, etc.) to the RainScapes Coordinator at rainscapes@rockvillemd.gov or mail to the address above. Paper applications are available upon request.
- 2. Receive approval from the RainScapes Coordinator.**
Wait to receive application approval from the RainScapes Coordinator before beginning the project. Please allow three weeks for processing. Projects must be completed within three (3) months of approval.
- 3. Begin and complete your project.**
You must retain and submit itemized receipts and/or final invoices for all project costs. Documented costs must equal or exceed the rebate amount requested. The project must adhere to the most recent Design Guidelines.
- 4. Final inspection.**
Call or email the City of Rockville RainScapes Coordinator at 240-314-8877 or rainscapes@rockvillemd.gov to schedule a final inspection. Inspections will generally be scheduled within ten (10) business days. Submit itemized receipts and/or final invoice for all project costs. Photocopies are acceptable. At the final inspection, installation of the project will be verified, and the project area will be photographed.
- 5. Receive reimbursement check.**
If all requirements are met, the rebate will be approved, and a check will be issued by the City of Rockville's Department of Finance within three to six weeks.

Special thanks to the Montgomery County and City of Gaithersburg RainScapes Programs for sharing their curriculum and text.

Design Guidelines Issue Date 9/2015

*** These guidelines and criteria will be periodically updated to ensure currency with the latest technical information and best practices – please verify that you have the latest version. ***

Rain Barrel and Above Ground Cistern Requirements:

- Written approval** from the RainScapes Coordinator is required before you begin installation or construction. Projects that are partially or completely finished before approval will not qualify for rebates.
- Minimum size: 55 gallons**
- Required elements:**
 - Inlet connected to a downspout (1)
 - Secure lid and screen for safety and mosquito control (2)
 - Overflow outlet and hose leading drainage at least 4ft away from any foundation (3)
 - Solid, level support base
- Recommended elements**
 - Water access tap (4)
 - Drainage outlet at bottom (5)
 - Additional mosquito control (mosquito pellets or tablespoon of bleach)

Important Note:

The diagram above is a general concept of a rain barrel. Some designs will differ slightly in style or function, but must contain all the required elements above to qualify for a rebate. Underground cisterns require additional documentation guidelines. Please contact the RainScapes Coordinator at 240-314-8877 for details.

RainScapes Rewards Rebate Application Rain Barrel

❖ **Important: To be eligible for a rebate, projects must be installed at a private single family residence, homeowners association, condominium association, housing cooperative or non-profit organization property located in the City of Rockville.**

Rebate Amount: \$1 per gallon with a minimum of 55 gallons and a rebate maximum of \$500 per property.

Name/Property Owner/Organization (This name will appear on the rebate check)

Address

City State Zip

Property Address (if not same as above)

Phone E-mail

Tax Exempt Number (if applicable)

Property Type:

- Single family residence
- Homeowners association*
- Condominium association*
- Housing cooperative*
- Non-profit organization*

***A project approval letter from the legal property owner, manager or organization must be submitted with the application. A template letter can be found at www.rockvillemd.gov/rainscapes.**

How did you hear about the RainScapes Program? _____

Have you seen the Rockville's RainScapes Video Series? _____
(<http://www.rockvillemd.gov/rainscapes>)

Have you received a rebate through the City of Rockville's RainScapes program in the past? If yes, which program were you rebated under - rain barrel, conservation landscaping, tree planting or pavement removal?

Project Details

Physical description of the location of the rain barrels (e.g., back of house on the right, front of building on left etc.):

Number of Rain Barrels: _____ Total Volume (must be at least 55 gal): _____

Brand/Make: _____

Where will you obtain your rain barrel(s)? _____

Will each barrel be stand-alone or will multiple barrels be hooked together?

What type and brand of diverter will be used? (ex. flexible tubing, rigid downspout)

Important: An overflow outlet and hose near the top of the barrel is required to protect your foundation and reduce erosion. See the Design Guidelines for details.

Roof Drainage Area and Issues

Drainage area to barrel (sq. ft.): _____ % of Building's Roof (e.g. 1/4, 1/2...): _____

Where does your roof leader currently drain?

Grass ___ Driveway/Parking lot ___ Underground/piped to street ___ Don't know _____

Project Cost

Please estimate your rain barrel installation costs. Itemized receipts are required upon project completion.

Total Cost: _____ Rebate Amount Requested: _____

Installation: ___Do it yourself ___Contractor ___Volunteer ___Other:

If you are using a contractor or watershed group, please provide the following information.

Contractor/Group Name: _____

Address _____

Phone _____

Contractor/Installer Signature

Date

Project Site Photos (Before Shots)

Don't forget to attach, either digitally or hard copy, photos of the project site (max 6).

OPTIONAL: I agree to allow reasonable access to the RainScapes project site for periodic public tours organized by the City of Rockville (advance notification will be made by the City of Rockville). **Yes** **No**

I have read and agree with all RainScapes Rewards rebate program requirements.

Signature

Date

Please mail or e-mail the completed application with required information and **wait to receive approval** from the City of Rockville.

Rockville Rainscapes Rewards Property Owner Agreement

between
City of Rockville, Maryland
and

Property Owner(s): _____

Property Address: _____

This Agreement is between City of Rockville, Maryland (the “City”), a body corporate and politic, and _____ (“Participants” or “Property Owners”), owners of the property located at _____ in Rockville, Maryland (the “Property”). This Agreement becomes effective once the designated representatives of both the Participant(s) and the City (collectively, the “Parties”) have signed it.

The purpose of the Agreement is to specify the general terms and conditions of the Property Owner’s participation in the City of Rockville’s Rainscapes Rewards Program (the “Program”).

Definitions

Rain Barrel means an above ground container that holds at least 55 gallons or more of precipitation for landscape irrigation or other non-potable uses.

Conservation Landscaping is the removal of turf grass and/or NNI species as listed in Rockville’s NNI plant list and replacement with plant species that have more extensive, deeper root systems.

Tree Canopy is the planting of trees meeting specifications outlined on the Rockville Rainscapes application to reduce stormwater runoff, improve air quality, provide wildlife habitat, and contribute to savings on energy bills through the cooling effect of shade from trees.

Pavement Removal is the removal of eligible pavement and replacement with native plants or turf (sod) grass according to specifications outlined in the Rockville Rainscapes application with the goal of decreasing impervious surface, increasing stormwater infiltration, and reducing polluted runoff.

Eligible property owners include single family homeowners, homeowners associations, condominium associations, housing cooperatives and non-profit organizations.

Background

1. The City Council has authorized the creation of a rebate program to be administered through the Environmental Management Division (EMD). The purpose of the rebate program is to provide financial and other appropriate incentives to eligible property owners to encourage the use of environmentally sensitive, low-impact stormwater runoff control techniques to reduce the impact of uncontrolled stormwater runoff and improve stream water quality in Rockville.

2. Under the Rockville Rainscapes Rewards Program, the City makes rebate payments available to eligible property owners that do not currently have on-site stormwater management controls, and who utilize approved stormwater management techniques as outline in the Design Guidelines and Criteria for Project Eligibility included in the RainScapes application packets.
3. The Property Owner(s) has met all applicable eligibility requirements, qualifications, and project standards and criteria as outlined in the Rockville Rainscapes Rewards Application and the associated application has been approved by EMD on _____.

Mutual Agreements:

The Parties agree as follows:

1. The Property Owner shall be responsible for all maintenance associated with any project receiving funding through the Program (the "Project(s)").
2. The Property Owner shall allow representatives of the City to enter the Property to inspect the Project(s) at all reasonable times.
3. The Property Owner shall comply with all applicable regulations and warranties associated with the Project(s), including obtaining necessary permits.
4. The City may make public the results of any program evaluation or data collection, including any photographs, images, or recordings, undertaken by the City in connection with the Program.
5. The Participant must promptly notify EMD of any change in ownership of the Property after the Parties have executed this Agreement.
6. The Property Owner, by participating in the Rainscapes Rewards Program, hereby releases the City of Rockville and its agents, officers, directors, employees, or any other persons acting on its behalf from any liability for damages or injuries resulting from its participation in the Program. The Property Owner agrees to indemnify and hold The City of Rockville harmless for any injuries, damages, or claims arising from the Program.

Total Cost of Project: _____

Total Amount of RainScapes Rewards Rebate: _____
(for office use only)
