

## Spring-Summer Program 2017 (April 3- July 28)

This flyer provides information about the Rockville-Montgomery Swim Club (RMSC) Spring-Summer competitive swimming program. The Spring-Summer session is a vital part of the year-round RMSC training program. Many RMSC winter swimmers choose to swim with RMSC during the spring-summer to continue their endurance and stroke training under the supervision of our experienced, professional coaching staff.

The 2017 Spring-Summer season runs from **April 3 through July 28**. Swimmers in the National Training Group, Advanced Senior Group, and Select Junior Groups must register for the whole season. Swimmers in the Instructional Stroke School (ISS), Junior I, Junior II, Senior Developmental, or Senior programs may choose to swim with RMSC for the entire Spring-Summer season, or an abbreviated Spring-only session from April 3 through June 16, finishing the summer swimming exclusively with their summer club. All swimmers are encouraged to swim for the whole season with RMSC. For swimmers who qualify for and are competing in Eastern Zones, USA Swimming Junior Nationals and/or National Championships, practices beyond the above dates will be offered to help prepare for those meets.

The registration fees and semester dues for the Spring-Summer season are structured similarly to those for the Fall-Winter season. **See below for due dates.** There is a substantial discount for those swimmers who are members of the Rockville Swim and Fitness Center.

**Registration and payment can be delivered in person to the Rockville Swim and Fitness Center, 355 Martins Lane, Rockville 20850. Call Dave Greene at 240-314-8755 or email: [dgreene@rockvillemd.gov](mailto:dgreene@rockvillemd.gov) with any questions.**

## **NEW SWIMMER TRY-OUTS**

A “New Swimmer” is any swimmer who did not participate in the 2016-2017 Fall-Winter RMSC program at the Rockville Swim and Fitness Center. For these swimmers to have an opportunity to join the team by being evaluated and assigned a practice group, the following try out opportunity has been created: **MON. 3/27/17; 6-7pm.** RSVPs for 3/27 are not required. In addition to the above, swimmers can visit the website ([www.rockvillemd.gov/swimcenter](http://www.rockvillemd.gov/swimcenter)), then click on the Rockville-Montgomery Swim Club link on the left side of the screen) for a form to request an alternative try-out time. **Note: spaces available for new swimmers are VERY limited.** See below for a description of our practice groups. Please be advised that due to the capacity constraints of the program, simply meeting group requirements does not guarantee a swimmer a place in the program.

### **Group Assignments:**

Many RMSC swimmers will continue in the same group in which they swam during the Fall-Winter season unless otherwise specified by a coach. The coaches do, however, re-evaluate each swimmer's group assignment at the beginning of the season and make changes as necessary. Swimmers or parents wishing to discuss group assignments should contact Dave Greene at the Swim and Fitness Center.

### **Instructional Stroke School (ISS):**

This group will consist of all 8 & under swimmers in the RMSC program. Emphasis will be on competitive stroke mechanics, turns, starts, swim meet orientation, AND ON HAVING A FUN YEAR! It is recommended that swimmers practice a minimum of 2-3 times per week. Below are the criteria for joining the group by age:

**6 and under:** Ability to complete 2 lengths of Freestyle and Backstroke stopping only at the wall when the length is complete. Blow bubbles under water while swimming. Have an idea of Breaststroke and Butterfly even if unable to perform the stroke legally.

**8 year olds:** All the requirements for 6 and under swimmers. Additional ability to swim 1 length of BOTH Breaststroke and Butterfly legally. Ability to complete a 100 IM legally.

### **Junior II:**

This group will primarily consist of swimmers 9 to 12 years of age who are interested in competitive swimming. The emphasis for this group is on perfecting swim technique as well as being an introduction to competitive swimming. Coaches recommend 3 or more practices per week and may require participation in at least 1 meet every 2 months. Generally, the criteria for joining the group are:

**9 – 12 year olds:** Ability to swim 4 lengths of each stroke legally. Complete 4 lengths continuous Freestyle, 4 lengths continuous non-freestyle of a single stroke (Backstroke, Breaststroke, or Butterfly), legal 100 IM. Ability to perform or attempt flip turns and hand first dives off the side of the pool. (Swimmers in the “learn to swim program” should have completed Youth 6-Swim Team Prep.)

### **Junior I:**

This group will consist of swimmers 9 to 12 years of age and is by invitation only. This group will be chosen based on meet performance, practice performance, training habits, etc. Emphasis will be on stroke mechanics, conditioning, and preparation for upper level swimming in the RMSC program. Swim meets will be required. Coaches require 4 or more practices per week.

### **Select Junior:**

This group is for dedicated swimmers ages 9 to 14 with the goal of becoming nationally qualified and is by invitation only. The emphasis will be on refining stroke mechanics and preparing for the rigors of more intense training. Swimmers are required to attend 6 to 7 practices per week.

### **Senior Developmental:**

This group, for swimmers ages 13 to 18 will focus on the development of proper stroke mechanics, fitness, and introduction into competitive swimming. The senior coaches will determine which swimmers will be participating in this group. Swimmers in this group will be permitted to attend Senior Group practices with permission of their coach.

### **Senior:**

This group is for swimmers ages 13 to 18 who desire to swim in a senior level group. Swimmers are introduced to all aspects of competitive swimming. This group provides a strong base in stroke mechanics, with aerobic and anaerobic conditioning and strength training appropriate to the individual swimmer's goals and capabilities. Swimmers in this group are expected to participate in meets throughout the season. Coaches recommend 3 or more practices per week.

### **Advanced Senior:**

This group will be for swimmers ages 13 to 18 who have the desire and ability to advance to the National Training Group. This group will provide the swimmers a transition from elite level junior swimming to our National Training Group. Coaches will provide a strong emphasis on proper stroke mechanics and conditioning in preparing swimmers to advance to and succeed in the senior levels of Potomac Valley. Coaches recommend a minimum of 5 practices per week.

### **National Training Group:**

RMSC's top senior swimmers, ages 13 and over will train in this group. Swimmers will train towards reaching the upper levels of senior swimming in Potomac Valley and United States Swimming. Strict performance standards are a prerequisite for the group, which will concentrate on developing good workout habits and stroke mechanics while training at a higher level. Swimmers are expected to attend all practices.

**SCHOLARSHIP ASSISTANCE** for the cost of swim team participation is available through the "Debbie Mermelstein Memorial Fund." This fund has been established to promote junior-level swimming at RMSC and is administered by the RMSC Parents Club. The RMSC Parents' Club has also established the Jamie Martens Senior Scholarship Fund to provide similar opportunities for swimmers ages 13 and over. These scholarships are offered to those in need and benefit children who could not otherwise afford to participate in the program. Individuals interested in taking advantage of these funds should contact a Dave Greene at [dgreene@rockvillemd.gov](mailto:dgreene@rockvillemd.gov) or 240-314-8755.

**Practice Schedules:**

During the spring semester, practices are scheduled similarly to the winter schedule with workouts held both before school and in the afternoon. After school is out, the schedules change with practices offered in the morning every day as well as some afternoon practices. An afternoon Stroke Clinic on Mondays and Thursdays is also available for team members. The practice schedules for both semesters are listed in this flyer.

**USA Swimming Meets:**

There are several USA Swimming meets scheduled prior to and during the summer-league season. Most local meets during the summer season are scheduled so as not to conflict with the summer-league meets. To simplify the meet entry process, meet entry fees will be included in the registration fee. This registration fee will cover all entry fees for the Spring-Summer season.
