

**Watershed Committee (WC) Meeting**  
**November 18, 2009**  
**Meeting Notes as reported by Steve Cardon**

Watershed Committee members attended the MoCo DEP public information meeting on to discuss their proposed Watershed Restoration Implementation Plans to meet the MS4 permit requirements. The purpose of this meeting was to engage and educate the public in the development of a comprehensive watershed restoration implementation strategy (strategy) to meet the County's Municipal Separate Storm Sewer System (MS4) Stormwater permit requirements. New and enhanced requirements in the MS4 permit that must be addressed through the Watershed Restoration Implementation Strategy was introduced and discussed.
