MEMORANDUM

January 2010

TO: Softball Coaches/Managers

FROM: Sports Division, 240.314.8620

SUBJECT: New Softball for 2010 – All Men, Playing Co-Rec or Men's Ball

The City of Rockville Recreation and Parks spring softball registration brochure will be available on line, and emailed, and/or mailed to 2009 participating teams sometime in early January. If you are a new team and wish to receive our league information, please e-mail us at sports@rockvillemd.gov However, at this time, we wish to inform all teams interested in Rockville spring softball that this year's league play will feature a new ball for men. The men will be using the 52 core, 275 compression softballs. The women will continue to use the 44 core, 375 compression balls, whether playing Co-Rec or women's softball. The adult softball programs with the City of Gaithersburg, as well as, the county recreation departments of Montgomery and Prince George's will be unified in 2010 with the use of the same ball for league play.

The 2010 banned bat list for the spring ball is limited to the following bats (this list may be modified in the spring as new bats come out):

- Titanium Bats!
