### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

#### **My favorite spots or hangouts in the neighborhood or nearby is/are:**

- Fallsmead Park (I'm a resident); Wootton Mill Park
- Fallsmead Park, Rockville Town Center, exercise stations at park off of Watts Branch, park in Rockshire
- Fallsmead Park, Millennium Trail
- Fallsmead Park, Wootton Park
- Town Center
- Rockville Pike, Rockville Town Center
- Watts Branch Park
- Fallsmead Park
- Walking on the Millennium Trail and Wootton Mill Park
- Rockville Town Center, Millennium Trail, Fallsmead Park
- Fallsmead Park, Rockville City Center
- Millennium Trail
- Rockshire pool, Rockshire Center for Chinese take-out, Fallsgrove, Woodley Gardens – Hard Times and Carmens
- Fallsgrove
- There are none
- Restaurants, swimming pools, parks, trails
- Woottons Mill Park
- Wootton Mills Park, Millennium Trail, Glenora Park, Community Gardens, Hunan Taste Chinese restaurant, dry cleaners
- The small park with pond and swimming pool, Wootton Parkway side walk path
- Rockshire swimming pool, Wootton Mill Park, Wootton High School, Fallsgrove
- Used to be Rockshire Center – hope it to be redeveloped as a retail/leisure center; Glenora Park is good
- Walking paths
- Rockville Town Center, Rio Center
- Parks, local restaurants/coffee shops
- Wootton Mill Park, Fallsgrove
- Carl Henn Millennium Trail and trail behind/near stream
- Trail in park – behind/along Watts Branch
- Rockville Library, Dawsons
- Wootton Mills (and hopefully the retail that would be built at the Giant center)
- Fallsmead pool, Millennium Trail, park space, Fallsmead pond and park
- Walking in the neighboring park, biking, jogging
- Restaurants, movies
- Woottons Mill Park – love to walk there – enjoy wild life; walking along Wootton Parkway; love to be able to walk to the schools
- Fallsgrove, parks, Glenora etc.
- My house, my office in Rockville, Chipotle
- Would be Giant neighborhood area if they built mixed use
- My favorite spot used to be Rockshire with Theo's restaurant and Giant; love the parks for walking and biking
- The pool!!! (Rockshire)
- Rockshire pool, Rockville Town Center, multiple playgrounds in the area
- Quench, Panera Bread

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- Wootton Parkway bike path (Millennium Trail for bike, run, walk), Wootton Mills, Rio, Fallsgrove, Rockville Library, Rockshire pool
- Wootton Mills Park, Rockshire Pool, Millennium Trail
- Fallsgrove Community Center gym
- ?

#### Do you use Metro?

- Yes 52
- No 8

#### If yes, which station do you use? (Tick all that apply)

- Rockville 42
- Shady Grove 6
- Twinbrook 10
- Other (please name) Grosvenor/Strathmore 8
- White Flint 3

(Not enough station parking at Rockville)

#### If yes, how do you travel to the station(s)? (Tick all that apply)

- Walk 7
- Bicycle 5
- By car 46
- By bus 17
- Uber 5

(Would like to use Ride-On bus 56 - but now too difficult to get on – need an extra step – knees jam when descending that last big step.)

#### Do you use public buses?

- Yes 19
- No 41

([Need to be] educated on usage; how do you pay, cash? How much?)

#### If yes, which bus route(s) do you use?

47, 56, T2  
47 Ride-On  
Route 56 or 45

#### What are your thoughts on housing in the neighborhood?

- I want retail in walking distance
- Opposed to additional townhouses by old Giant; would like a village center there with stores; concerned that schools are already over-crowded with current housing; also concerned with traffic patterns and increases
- Extremely opposed to adding additional housing in the neighborhood; want businesses/shopping
- No need for additional housing
- Single family housing is best
- Will overcrowd schools and street traffic
- Fine as is; roads crowded
- Generally well maintained; I love to see people outside walking, biking, gardening
- Keep Rockshire (center) as a small business center; have small market, ice cream store, nail salon, coffee shop, dry cleaner; no more houses needed in Rockshire! Or put them off Watts Branch Parkway.
- Hi density, low luxury townhouses won't add value to our Real Estate investments
- No development at Rockshire center
- I like our current housing density
- Our neighborhoods – Fallsmead/Rockshire are saturated; I do not believe more housing here is in the long-term best interest
- No townhomes (or other housing) at Rockshire, keep it retail
- It is currently adequate
- We have plenty of housing and don't need more
- Fine as it
- One level single-family houses
- Already too much traffic; prefer to walk to grocery store, bank, dentist, beauty shop. Would help me to age in place; RETURN RETAIL TO ROCKSHIRE
- Townhouses are too many and are too tall and too close to the Millennium Trail; traffic at Wootton and Hurley and Greenplace is very congested; traffic at Hurley and Route 28 is very dangerous
- Don't like to develop new TH; we like to keep the same way now
- Please do not support more townhomes
- Schools are too crowded; cannot support additional housing
- Single-family houses on former Giant store
- Do not increase the density; schools are pretty crowded already
- Fine as is; against high density TH
- Housing density is too high; limit additional housing expansion. Negatively impacts (1) traffic (2) viability of existing businesses (3) schools, thereby detracting from the character of Rockville

## Planning Area 14 – Rockshire and Fallsmead

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- No comment
- Fine as is!
- No new housing developments
- Maxed out as is
- Please do not add more houses. Traffic is bad enough already and schools are packed. We need retail to serve the community and we would like it to remain green and safe
- There are sufficient townhomes in the neighborhood; we don't need any more townhomes
- It would be a tragic event [if Rockshire center were redeveloped as townhouses] because it would create new array of inconveniences – impacts on surrounding schools (new students accommodation) traffic on Wootton Parkway, high school students would have less parking spots; potential ceasing parking surrounding territory next to the community pool to build parking lot for pool
- For the most part, a quiet, livable neighborhood
- Maxed out
- It is very comfortable; there is a nice level of density; no more townhouses. Karma Academy property future is a concern. Would like to see it become part of Wootton Mill Park
- O.K.
- Like it - don't need ugly
- Enough housing! Already have crowded Wootton Parkway and overcrowding in Wootton High School. Need retail at Rockshire
- We have plenty 😊
- No more housing in the Rockshire Giant shopping center
- Housing density should not be increased in the Rockshire neighborhood; retail should be retained in the current retail space
- # of houses in place are enough; leave Wootton Parkway alone, it's great
- I love the neighborhood, good place to raise my family. Definitely oppose the number of houses developers plan to put in Rockshire village. Getting too expensive and crowded
- Many fewer than 96 townhouses and not 4 stories high at Rockshire Shopping Center; no more than 50! Too much traffic and too many students at school; must be compatible townhouses two stories, not four stories
- No additional housing in Rockshire; traffic density is too high now, especially at rush hour
- I do not want to see additional housing in Rockshire
- Keep it small and consistent; no 4 or 5 story townhouses at Giant
- Wonderful as is – we don't want 4-story townhouses that don't blend with existing community
- We need to keep housing consistent. Any new housing must be consistent with current homes (single family or 2 -3 level townhouses) Must be mindful not to overcrowd Wootton High School with any new housing
- The housing is fine, but no more housing; traffic is congested already
- Dense enough, no more
- Keep it to scale of the rest of the housing
- Fine
- Seems adequate
- Do need moderate price housing

#### Do you visit the Rockville Town Center?

- Yes 48
- No 6

- Library, restaurants, stores, grocery shops, VisArts center
- Sushi Damo, Ev and Maddy, Gordon Beirsch, La Canela, Peter Chang
- Gordon Biersch, Wing place, library, knit store, movie theater, First Watch, Noodle & Co., Starbucks

#### **What other types of amenities would you like to see in the Town Center?**

- Additional restaurants and stores
- Extended library hours with events
- More eateries
- Trader Joe's
- More restaurants, more grocery shops, kids centers
- More retail, more regional restaurants, practical [stores]
- Free parking at Town Center
- Maybe a bowling alley
- Little boutiques
- More practical businesses where I would actually shop
- Sports, clubs for hubby, businesses, profession[al] development
- ?
- ?
- More retail (clothing, accessories, gifts)
- Easier parking
- Easier short term parking
- Community Center
- Live music; Mellow Mushroom
- More family-friendly restaurants (very excited about Mellow Mushroom coming soon!)
- Retail – clothing stores
- Free parking!! You can't go to dinner and movies without paying – we go to Rio and Kentlands because it's free
- More restaurants, clothing stores
- Full service grocery vs. Dawson's
- More validated parking
- Farmers Market
- Better parking options
- Viable retail
- OK
- Ethnic restaurants besides Chinese

#### **Where else do you go shopping for your daily and/or weekly needs?**

- Montgomery Mall, Trader Joe's, Park Potomac
- Rockville Pike, Montgomery Mall, Park Potomac, Cabin John Mall
- Harris Teeter, Fallsgrove
- Fallsgrove, King Farm, mini mall
- Fallsgrove, Rockville Pike

## Planning Area 14 – Rockshire and Fallsmead

60 participants completed the survey; not everyone answered all the questions

- Montgomery Mall, Congressional Plaza, mini mall
- Fallsgrove, Potomac Woods
- Traville, Rockshire, Harris Teeter, Trader Joes
- Harris Teeter, Traville Center
- Harris Teeter shops, Fresh Market
- Harris Teeter, Park Potomac; Whole Foods, Kentlands
- Giant, Traville; Safeway, Fallsgrove; Harris Teeter, Park Potomac
- Traville Giant, Fallsgrove
- Costco in Gaithersburg
- All over Rockville, Gaithersburg and Germantown
- Traville shopping center, Safeway at Fallsgrove, Fallsgrove Chipotle
- Fallsgrove, Kentlands
- Fallsgrove, Potomac – Cabin John, Park Potomac
- Grocery shops in Gaithersburg
- Fallsgrove, Traville Square
- Trader Joe's on Rockville Pike and Gaithersburg; Target on Rockville Pike, Giant in Traville
- Big stores
- Harris Teeter, Traville Gateway
- Traville Gateway Giant, Harris Teeter, Potomac Park
- Safeway at Fallsgrove, Harris Teeter on Fortune Terrace
- I used to walk to Rockshire Giant. I want walkable retail and services. I go to Traville but not Fallsgrove (bad parking) and to Gaithersburg (Costco, Trader Joe's)
- Down Rockville Pike – for drugstore, grocery shopping, cleaners etc.
- Rockville Pike – drugstores, grocery, cleaners; Potomac for hardware store
- Giant and Trader Joes
- Great Wall Market, Maxim Market, Giant and Safeway
- Safeway, Giant, Trader Joes on Pike; Guitar Center; Performance Bikes
- Travillah/Fallsgrove
- Travillah Shopping Center (Giant, Bagel town); Fallsgrove (Safeway and restaurants); Potomac Woods (Harris Teeter)
- Fallsgrove
- Giant in downtown Rockville, Trader Joes
- Giant at Hungerford, Trader Joes, Harris Teeter, Safeway at Fallsgrove
- Safeway, Fallsgrove, Trader Joes, etc.
- Food Lion, Costco, Safeway, Giant
- Frederick, MD; Bethesda, Northern Virginia, Silver Spring
- Kentlands/Costco
- I shop at Fallsgrove, Rio and Westfield Mall
- Trader Joe's and Whole Foods on the Pike
- Fallsgrove, Congressional Plaza, Traville Square, Giant at Traville, restaurants there; Kentlands, Michael's Noodles/other restaurants there
- Traville, Fallsgrove
- Traville
- No good choices in neighborhood. Have to drive to Montrose Crossing etc., Fresh Market, Giant on Hungerford etc.
- Fallsgrove
- Travilah Giant, Fallsgrove Safeway, would prefer to use grocery store at the site of old Rockshire Giant

## Planning Area 14 – Rockshire and Fallsmead

- Rio
- Rio, Rockville Pike, Rockville Town Center
- Rio, Kentlands
- Rio, miscellaneous, everywhere...
- Rio, Downtown Crown
- Bethesda
- Kentlands
- Bethesda, D.C.

## Planning Area 14 – Rockshire and Fallsmead

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- D.C.
- Usually to Rockville Pike stores
- Rio
- I use only local services and merchants. Would prefer some that are closer to home
- Costco, local restaurants, Rio, Amish Market
- Germantown
- Greater Rockville, Bethesda, Gaithersburg, Northern Virginia, D.C.
- Westfield Mall (Montgomery Mall)
- Rio Center

#### What would you like to see at the site of the Rockshire Shopping Center?

- Mixed use: condos, or singles or town homes with shopping, coffee, greenspace and someplace to get an onion and ½ gallon of milk
- Want shopping in Rockshire – small market, ice cream store, coffee shop, pizza shop, dry cleaners, nail salon
- Retail!! Restaurants – within walking distance for my family
- Definitely not the proposed 4-story townhomes. Too tall, too dense. [Want] mixed use retail; small retail stores
- Grocery store, restaurant
- Grocery store (Trader Joe's) casual restaurants, boutiques
- Food market, Sandwich Shoppe
- Some retail – grocery operation
- Retail
- More restaurants, bakery or food store
- Food store
- Keep it retail
- Food market – retail and professional services and bank; not more housing
- Community center, park for kids, grocery shop
- Small grocery store, ice cream shop, [small/mid] scale casual [restaurant] something like Hard Times or an Italian restaurant
- Maybe something to alleviate the crowded schools
- Retail – grocery, bank, beauty shop
- Sports center/fitness center
- Grocery shop, convenient shop, coffee shop
- No high density townhouses!
- Retail, restaurants, fitness center, (ethnic grocery)
- Retail! Small grocery store – like Trader Joes! Not a big grocery store. No townhouses please; restaurants, small gift shop, ice cream store, fitness center
- Low density, small grocery store, dining, coffee shop, single family houses
- Small scale grocery store, restaurants, etc. Retain small time feel. The site should service existing residents and not create more housing in an already densely populated area. Maybe a community center.
- Not sure; retail of some kind but not conflict with proposed stores near Best Western Hotel
- Groceries – superstore, ethnic groceries, more restaurants, pet stores
- Giant or Dunkin Donuts

## Planning Area 14 – Rockshire and Fallsmead

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- Retail; neighborhood center – drawing walkers from all nearby areas
- Grocery store, small stores, CVS, restaurants
- Small businesses – café, coffee shop, bank, doctors' offices, community gathering
- Child care, stores, schools, after school enrichments, stores, exercise facilities, no more houses!!!
- Lite commercial with food stores, café, public playground, limited housing and town houses, open parking garage with pedestrian overpass to Wootton High School, two story med building, public venue
- Not townhouses
- Retail – grocery store, coffee shop, convenience store, (Dunkin Donuts) outdoor seating
- Change signage to benefit retail. Small businesses (restaurants, coffee, cleaners) services (physical therapy, daycare, doctors, tutoring, services for seniors and high school students); parking for the community (Rockshire pool, Korean Church, Wootton High School, back to school nights)
- I would like a reasonable amount of townhomes, <50, and mixed retail. Wootton High School needs space for sports fields and parking. The high school is planning for the future and some land from Giant should be bought or given to the high school for use
- Convert it into a park or parking spots for high school students. Would the town or county buy the land and help ease the Wootton space problems? Why not retail and a community center and school use for Giant?
- Retail shopping – grocery store, potential parking (as it is now) for Wootton.
- Retail shopping; good grocery store; no housing different from surrounding designs (no townhouses); a small park for general use
- I would prefer light retail
- Less than 50 houses and retail stores such as Subway, Trader Joes, ice cream/gelato shop, student services (tutoring) – model after Woodley Gardens off of Nelson Street
- Mixed use, Trader Joes, Starbucks Coffee, Thai restaurant, Gelato store
- Banks, grocery store, coffee shop, carry-out and eat-in dining for the community
- Lots of parking for pool and community and church and high school; community center, green space (a new park/playground); safe passage from it across Wootton Parkway for students to cross safely; no additional homes (will lead to overcrowding of schools, pool, parking and traffic); coffee shop, sandwich shop
- Create exit 7 on I-270. It will help reduce traffic by exit 6 (Hurley and Rt 28), especially with the new development by Best Western bringing even more traffic into that intersection. Do not widen Wootton Parkway
- Personally a food store but I know that was deemed not feasible. So...an indoor pool, an ice rink (both are in great demand!); park space, dog park; a gym; Dunkin Donuts, Starbucks; bank; CVS; parking for Wootton HS, pool, Korean Church. Not townhouses
- Please do not widen Wootton Parkway; add exit 7 to I-270
- Small retail that would give community a place to go – get coffee, meals and socialize
- Small retail, maintaining parking for school and church, keep it a community space
- Mixed use, small market, coffee shop, frogo store, bookstore; things for neighbors and students
- Retail grocery. If houses or townhouses are allowed they should be similar in size to the existing homes
- Grocery within walking distance
- Single family houses – no townhouses; retail
- Either retail center or offices – could be medical offices, some firms could land on this spot, learning centers
- I would like to see another grocery store
- Retail: restaurants, a large grocery store, medical offices, a place for kids activities (like a kids gym), a café

## Planning Area 14 – Rockshire and Fallsmead

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- Coffee shop, restaurant, Doctors offices, small grocery store, rental space – for office/conference room; landscaping with trees, shrubs, flowers that is inviting
- A beautiful park; definitely not more housing; County/City could purchase the land and develop parking for Wootton HS for a park or an athletic facility (indoor pool for the winter months to compliment the outdoor pool) + climbing wall + basketball courts.
- Park

#### **Additional comments:**

- No more housing, traffic and over population. We desperately miss having a convenient food store. We appreciate having the meeting
- Stream preservation, watershed preservation, preserve creek headwaters
- Thank you for holding this meeting!
- Too much traffic on Wootton Parkway if we add townhouses; do not add extra lane on Wootton Parkway! – dangerous having 4 lanes at school with young drivers in dark after sports (already a fatality); schools too crowded already; I do not like the idea of upgraded townhouses in Rockshire because it will make current townhouses look bad and shabby; need retail to bring community back together!! (in Rockshire)
- Add exit 7 [on I-270 at Gude Drive]
- Very concerned about any widening of Wootton Parkway. Would be dangerous for Wootton and Frost students walking. Traffic on Wootton is bad only during morning and evening rush, but no worse than anywhere else. Widening would be a tremendous waste of money, create safety problems and reduce home values
- Rush hour traffic on Wootton Parkway and cutting through the neighborhoods. Both Rockshire and Fallsmead [are] approaching critical mass
- Trash/refuse services are excellent
- No bicycle lanes on Hurley – perhaps shared lanes instead. Need better communications to residents who do not have a homeowners association
- No widening of Wootton Parkway, children cannot cross Wootton Parkway safely even now. Hard to turn right into Route 28 from Hurley due to I-270 6B exit.
- Keep Wootton Parkway as is no more lanes
- Love the neighborhood trails; love walking to the schools, bike paths
- Bus 45 does not seem to be of good use. There is very little ridage for the number of buses that come by. Also no dog park in the Wootton Mills Park. I love the neighborhood feel here, the ability to walk to and through the park, to walk to schools and to bike everywhere. Possibly a community center at the Giant Rockshire.
- No more houses!! No more traffic. Favor: community center or Trader Joe's, health food stores
- Public meetings a plus!
- No 4 level TH in RS Center! Build a community center at RS Center!
- Proposed Village Center townhouses are so dense, out of style with community and unintegrated with the community. Do not widen Wootton Parkway
- Wootton should not be widened. There needs to be creative solutions, such as where are the stop lights, dedicated turning lanes, moving the entrance and exit from the high school. The answer is not making it a 4 lane road. No one that lives here wants it. It is not safe. It would attract traffic. It would change the feel of the neighborhood completely and turn it into Rockville Pike and a thruway for I-270.
- I do not want to see additional housing in Rockshire. It will impact traffic in a negative way. It is bad enough now. It will also add more students to an already overcrowded Wootton High School. Do not widen Wootton Parkway

## Planning Area 14 – Rockshire and Fallsmead

### Neighborhood Survey – March 8, 2016

60 participants completed the survey; not everyone answered all the questions

- Auto density is too great now! Any additional housing will make things worse! Wootton needs more parking; do not expand Wootton [Parkway] to 4 lanes. 4 lanes of congestion will be unsafe in a neighborhood like Fallsmead
- Please leave the Karma Academy site as parkland; do not widen Wootton Parkway. Keep the Millennium Trail; put “No Left Turn” signs during rush hour on Hurley Avenue onto Watts Branch Parkway
- Add exit 7 to I-270 from Gude Drive; do not widen Wootton Parkway; like Route 28 for bike bridge; less housing, more jobs; like annual Hometown Homecoming event; Hurley and Sherbrooke intersection has this blockage put in by the City – makes those who are turning from Sherbrook onto Hurley dangerous
- Wootton Parkway/Hurley Avenue traffic horrendous; Route 28 to I-270 exit – bad! Need more jobs in Rockville
- Love the bike share program; moved here for the public schools. Need to add exit 7 on I-270 and Gude Drive. City paid me for rain barrels! Love the numerous parks and play areas. Great Seneca Highway is great for cycling; love Thomas Farm gym
- Do not widen Wootton Parkway!
- Thank you for working in our best interests!!!
- Rockville is awesome – let’s keep it that way!!
- Do not widen Wootton Parkway; enlarge sidewalks on Hurley adjacent to brook to access bike ramp over I-270; [would like] Gude Drive entrance to I-270; walk to retail for high school students
- Would like another access to I-270 at Gude to relieve pressure at exit 6B; would like to see no widening of Wootton Parkway added to the Master Plan. That walkway and open space is such a beloved hallmark of our neighborhood
- Do not support widening Wootton Parkway
- Please fence the back yard of the schools. While the school building (Fallsmead ES) is locked and a visitor has to ring the bell in order to enter the building, the back is exposed and kids during recess are not safe!
- [Would like] access to swimming pools for communities without pools – on a per-time usage
