**TENTING AND STRUCTURE POLICY**

If a structure (non-tent) such as a wedding altar is larger than 5 feet by 5 feet and/or a contractor/subcontractor will need to access the Glenview Mansion grounds for set-up and take-down, a 10-hour rental is required. Tents and/or structures for social events at Glenview Mansion are welcome if they comply with the following rules and procedures:

- Tents and/or structures may be set-up in only two locations in the Formal Gardens:
  - Bowling Green behind the Cottage
  - Level 1 of the Formal Gardens (just off the Living Room and Dining Room porches)
- Tents and/or structures are not allowed on The Mall.

**NO EXCEPTIONS APPLY:** Installing tents and/or structures on The Mall (a.k.a. front lawn) will result in the retention of the entire \$750 security deposit. If the \$750 security deposit is not enough to cover the full amount of the incidentals, the client will be billed the remaining balance to be paid in full within 14 calendar days from the invoice date.

- All tents and/or structures must be water barreled to ensure no damage occurs to the lawn, tree roots or underground electrical conduit. No staking of the ground or plantings is allowed.
- Tents and/or structures must be placed in a manner that has no impact on existing trees, bushes, flower beds, etc. Tent and/or structure companies may not trim any of the Glenview Mansion trees, bushes, or flower beds.
- Tents and/or structures must be set-up on the day of the event and either removed on that same day or early the next morning. The complete removal must be accomplished at least two hours prior to the next event's set-up time. The Civic Center Business Office and Civic Center Manager, without exception, must approve tent and/or structures set-ups and take-downs that do not fall within these perimeters.
- The tent and/or structures set-up and take-down must be coordinated with the set-up needs for what is going under the tent (tables, chairs, dance floor, décor items, etc.). The Civic Center Business Office must be informed of this coordination plan before or at the time of the final walk through.

- Tents and/or structures may not be set-up earlier than 6am or taken down after 9pm. Tent and/or structures set-up and take-down needs to be respectfully done within compliance to the noise ordinance. Quiet times are 9pm to 9am.
- If a tent and/or structure is removed when it is dusk or dark outside, the company must provide the work lights needed to assist with a safe take-down of the tent and equipment.
- Electrical power for tenting and/or structures Level 1 runs from the power box located on Level 2 of the Formal Gardens. Electrical power for tenting the Bowling Green runs from the basement of the Cottage. Please see “Electric Supply in Formal Gardens” for specifics.
  - Tent and/or structure companies must provide a generator with tent set-up for any electrical services, such as lighting, heating, cooling, fans, catering tent etc.
  - Other service providers under the tent and/or structures, such as catering, musical entertainment, bartender, etc. may also need to provide a generator for extra electrical power.
  - Lighting inside the tent and/or structures is required. Lighting outside of the tent and/or structure is suggested.
- Due to health and safety requirements, any food or beverage set-ups must be placed either under the big tent or a smaller tent (catering tent) that is large enough to accommodate food and beverage preparation and service.
- All musical entertainment must be placed under the main tent (not the catering tent) to comply with the City of Rockville noise ordinance of 55 decibels after 9pm. This noise ordinance equates to two people standing 10 feet from each other having a quiet conversation.
- A hard floor must be installed for dancing to preserve the lawn.
- Tents and/or structures behind the Cottage in the Bowling Green have no ADA access. Guests in wheelchairs are best driven to the site using the service drive from the theatre parking lot to this garden area. The restrooms in the basement of the Cottage are not ADA compliant.
- The lawn in the tent and/or structure areas is easily damaged by the event of rainy weather. The condition of the lawn is not guaranteed for any tent rental use.
- The client shall be fully responsible for, and shall indemnify and hold the city harmless, from any damage to or loss of objects or property belonging to the City of Rockville, and for any personal injury incurred during or because of such use.

#### **ELECTRIC SUPPLY IN FORMAL GARDENS**

**Cottage Basement (Tent and/or structures level behind cottage):** The power is accessible through a locked doorway on back side of the cottage; you must arrange for access to the key lock box to access the basement in advance and the key must be returned to the lock box promptly.

There are four (4) separate 20-amp circuits available for event use located in the basement of the Cottage. There are three (3) heavy power cords available to assist with running this power to tents and/or structures on the lawn. There is one cable run to be used on the sidewalk where the power

cords must cross to support the tent and/or structure. Each 20-amp circuit is capable of 2400 watts of power total. Please plan to distribute your load between these circuits.

This is very limited power for most event needs. Typically, one line supports the lights in the tent and/or structures, one provides power to a DJ/music, and the third can assist with catering needs. If the event needs exceed this minimal power access, clients should plan to supply a generator to support their total needs. NOTE: Often a single coffee Urn will take all the power for a single 2400-watt (20amp) circuit so it goes very quickly.

**Level 2 of Formal Gardens:** There is additional access to electricity via the power box in the Formal Gardens near Level Two. You must have a key to access the pad lock on the green power box or ask a facility supervisor to unlock the box for access. This location is to provide power to ceremonies on Level Two or musicians on Level Two or activities planned on the outdoor porch.
