*\*A project approval letter from the legal property owner, manager or organization must be submitted with the application.*

How did you hear about the RainScapes Program? \_\_\_\_\_

Have you received a rebate through the City of Rockville's RainScapes program in the past? If yes, which program were you rebated under - rain barrel, conservation landscaping, tree planting, or pavement removal?

## Project Information

Project Goals (check all that apply)

- Reduce pavement area
  - Beautify my home/property
  - Make a positive impact on the environment
  - Benefit from financial incentive
  - Reduce stormwater runoff
  - Other (please explain):
- 

What will the permeable pavement be replacing? Please include a physical description of location of pavement that will be replaced (*ex. Main driveway on left side of building, Patio in back of house*):

Total pavement area to be replaced with permeable pavers (sq. ft): \_\_\_\_\_

## Perc Test

*The site must pass a perc test in order for the application to be approved. For instructions on performing a perc test, see the Design Guidelines.*

Did the site pass a perc test?

- Yes
- No

If a perc test has not yet been completed, please provide date when test will be performed: \_\_\_\_\_

What type of overflow will your pavement system have?

- Surface overflow
- Piped overflow

## Project Cost

Total Cost: \_\_\_\_\_ Rebate Amount Requested: \_\_\_\_\_

## Qualified Contractor Information

*Project must be installed by a contractor with certification in Permeable Interlocking Concrete Pavement through the [Interlocking Concrete Pavement Institute](#) or installed by an experienced contractor who has submitted a portfolio of 5 permeable paver projects. Proof of certification or portfolio must be included with the application.*
