Dear Customers:

## **Construction has started on the Locker Room Project!**

Please be advised that the **section closest to Martins Lane of the indoor pool's parking will be closed and used as a staging area for the duration of the construction project.** This will make parking limited at peak center hours. Our outdoor pool's parking lot is available for customers to use. Customers can access the front of the building while parking at the **outdoor pool's parking lot by using the side walk and marked walkway to the indoor facility entrance.** *Please use caution when in the parking area due to increased construction activity.*

**A wheelchair-porter service is available upon request, to assist customers from their car to the facility entrance and back to their car.** To use this service, please call 240-314-8750 when parked at the facility.

**Please note the construction at this time will NOT effect the Locker Rooms, Facility Entrance Location & Facility Program Schedules.**

As a reminder **all customers should plan to enter the facility from the outdoor pool's entrance and use the outdoor pool's bathhouse between May and September 2019. Watch your email for more details.**

**We would like to thank you for your patience and appreciate your flexibility during this project.**

Please review our renovations website at [www.rockvillemd.gov/rsfc renovations](http://www.rockvillemd.gov/rsfc renovations). We will continue to share information via the Swim and Fitness Center's email group (sign-up online at [www.rockvillemd.gov/swimcenteralerts](http://www.rockvillemd.gov/swimcenteralerts)), and by notices posted at the facility and online. Contact the Swim and Fitness Center Management Team at [swimcenter@rockvillemd.gov](mailto:swimcenter@rockvillemd.gov) or 240-314-8750 with any questions.

Stay tuned for emails detailing the arrangement being made regarding the use of the outside bathhouse.

Sincerely,  
Rockville Swim and Fitness Center Management
