

## **POLICE CRIME REPORT**

November 11, 2019 to November 17, 2019

---

### **Monthly Public Safety and Crime Information**

*Winter is coming!* While winter doesn't officially begin until December 1st, now is the time to prepare for the upcoming seasonal change. Did you know that the average date for the first measurable snowfall in the Rockville area is December 10th? Plan and stock up on supplies now rather than rushing to the store hours before the storm, only to find the shelves empty and stuck without the supplies you need. Creating a stockpile of non-perishable foods and water, generators and batteries, winter clothing gear such as coats and snow boots, and snow clearing material such as shovels and car snow scrapers will help you remain ready for when the first snowfall comes to the area.

You can sign up for alerts to be sent whenever a weather advisory goes in effect for our area at:

### **Weekly Public Safety and Crime Information**

#### **Thanksgiving Holiday Safety Tips**

Thanksgiving is right around the corner and while everyone is preparing for travel and holiday festivities with family and friends, the Rockville City Police Department is reminding everyone of safety measures they can take to remain safe while still enjoying the holiday.

#### **Drinking and Driving**

Did you know that in as little as 2 alcoholic drinks you can exceed the legal driving limit of 0.08% BAC in Maryland? You may feel that you have waited long enough since your last drink, but the consequences for even a first time Driving Under the Influence (DUI) or Driving While Intoxicated (DWI) charge in Maryland can result in jail time, hefty fines, and a suspension of your license. Not only could you face criminal charges and thousands of dollars in fines, insurance rates, and lawyer fees for a DUI/DWI charge, you could cause an accident that could result in either severe injury or death to yourself, loved ones, and others.

It may seem like asking a sober friend or family member to drive you home or calling for an Uber, Lyft, or Taxi service are inconvenient and/or expensive options. However, you don't want to look back and realize that spending \$30 for a ride home and a having to pick up your car in the morning when sober could have saved you from facing criminal charges, jail time, and most importantly: could have prevented severe injury or death to you, loved ones, or other drivers.

**Remember!**

**Arrive Alive – Drive Sober!**

## **If You Are Planning to Leave Town**

- Make sure to secure your home. Lock all doors and windows and close your blinds.
- Ask a trusted neighbor or friend to collect any mail or packages that are delivered to your address. Mail and newspapers that are collected can be a sign that a home is empty.
- You could ask a neighbor to park their car in your driveway to make your home look occupied.
- Install timers or take advantage of smart home lighting to schedule times where lights will turn on and off at night to make your home look occupied.
- Invest in a home security system or smart video system to alert you of activity around your home.
- Whether you are leaving your car at home or at an airport or train station, make sure to remove all valuables and lock your doors.
- Do not post your travel plans on social media or announce you are out of town. You never know who may see your post announcing that you are out of town. A person with bad intentions may see this as an invitation to burglarize a vacant home.
