GLENVIEW MANSION RENTAL TOURS AND FINAL WALK THROUGH APPOINTMENTS

Glenview Mansion is pleased to once again be able to offer rental tours to potential clients and final walk through sessions to clients and vendors for already contracted events. Currently, Glenview Mansion is still closed to the general public and all visits must be scheduled by appointment only.

How We Prepare for Your Visit

The health and safety of our visitors is vitally important, especially during the time of COVID-19. We follow Centers for Disease Control and Prevention (CDC), State of Maryland, Montgomery County, and City of Rockville health regulations to provide you with a safe experience at Glenview Mansion. We trained staff on important health and safety regulations so they can best serve you; require employee temperature checks before each work shift; monitor on-site employees for illness symptoms; practice physical distancing; wear face coverings over our mouths and noses; and do frequent hand washing and sanitizing. In addition, we provide consistent cleaning and disinfecting of our used spaces with EPA-registered solutions. Let's work together to make everyone's health and safety our top priority.

If Sick, Please Stay Home

Do not come to Glenview Mansion if you are sick with any COVID-19 or flu-like symptoms, are otherwise instructed to remain at home, or came into contact or share a home with anyone who tested positive for COVID-19 or is exhibiting COVID-19 or flu-like symptoms. How to Schedule Your Final Walk Through

COVID-19 has caused a difficult time for all of us. Planning once in a lifetime/large-scale events has become even more stressful due these uncertain times, a variety of unknown factors, and strict State and local regulations. We are committed to working individually with all our clients to find the best solutions for your event given the current environment, which is subject to change at any time.
