Important COVID-19 Information

How We Prepare for Your Visit

The health and safety of our visitors is vitally important, especially during the time of COVID-19. We follow Centers for Disease Control and Prevention (CDC), State of Maryland, Montgomery County, and City of Rockville COVID-19 regulations and guidelines to provide you with a safe experience at our community centers. We train staff on important health and safety measures so they can best serve you; require employee temperature checks before each work shift; monitor on-site employees for illness symptoms; practice physical distancing; wear face coverings over our mouths and noses; and frequent hand washing and sanitizing. We also clean and disinfect our facilities with EPA-approved solutions. Let's work together to make everyone's health and safety our top priority.

If Sick, Please Stay Home
