National Crime Prevention Month:
Reducing Violent Crime and Safe Gun Storage

NCPC is partnering with the U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA) National Officer Safety Initiatives (NOSI) Program to help keep communities safe from the damaging impacts of violent crime.

NCPC is devoting Week 3 of Crime Prevention Month to reminding communities and individuals that driving down violent crime is a responsibility shared by all. You can support violence prevention efforts by helping NCPC educate people young and old about the steps we can all take to protect ourselves and our neighborhoods – because everyone's safety depends on it.

Talking To Your Children

It is important to start a dialogue with your children about what to do if they find a gun. The following is suggested language for talking to your kids about firearms.

Guns are very serious. An accident involving a gun can hurt or even kill you or someone you know. Most adults are allowed to own a gun by law, and many have one. This means that even if there isn't a gun in your house, you need to know what to do if you see a gun.

- If you see a gun, follow these four steps: 1. Stop. 2. Don't touch. 3. Get away. 4. Tell an adult.
- When you follow these steps, you're protecting yourself and helping to keep other people safe.

Here are some tips about what to do in specific circumstances:

- Walk away and tell a parent if your friend shows you his parent's gun.
- Tell an adult immediately if you see a gun in someone's backpack at school.
- Tell a trusted adult if you hear a girl or boy say that she or he is going to bring a gun to school.
- Follow the four steps if you find a gun in the park by your house.
- If you're not sure why a gun is dangerous, talk to a parent about it.
