IMPORTANT PROJECT

What: Extension of road construction on Mount Vernon Place

When: Construction activities continuing through Friday, Aug. 26

Where: Mount Vernon Place, between Blandford Street and Colonial Court

For More Information:
See the reverse side of this advisory.

As part of the City of Rockville Stormwater Management Facility Improvements project, Mount Vernon Place will remain closed to vehicles and pedestrians from Blandford Street to Colonial Court through Friday, Aug. 26.

- The closure has been extended due to:
 - Supply chain issues.
 - Unexpected weather delays.
 - Ongoing management of active utilities at the project site.
- As a result, the construction sequence was modified. Pond construction occurred first, culvert/road work second.
- The road closure will allow for completion of a new concrete box culvert.
- Project completion (pond and road) remains the end of August 2022. [Construction may extend past August 2022, if additional issues arise].
