POLICE CRIME REPORT

RECOGNIZE HEAT EXHAUSTION

Knowing the symptoms of heat exhaustion ahead-of-time will allow for a quicker reaction in a confusing and dangerous situation:

- Even in a brutally hot day, someone with heat exhaustion will have **cool, moist skin filled with goosebumps**
- Someone with heat exhaustion may feel **faint, dizzy**, and may have a **weak and rapid pulse**
- A person with heat exhaustion may experience **nausea, a headache, and muscle cramps**

If you or someone you know shows these signs, stop all activity, rest in a cooler place, and drink cool water or a sports-drink.

Find medical care if these symptoms don't improve within one hour and immediately if the exhausted person becomes confused or agitated, loses consciousness, or is unable to drink.

Learn more about risk factors, prevention, and complication of heat exhaustion on [The Mayo Clinic's website by clicking here](#)

If you have a crime or concern to report, you can call the Rockville City Police Department at:

Non-Emergency: 240-314-8900

Emergency: 9-1-1

We provide a weekly report of serious crime to serve as an overview of police activity occurring within City Limits. Please note this summary does not include every reported incident that has occurred during this time frame and that the words "arrested" and "charged" do not imply guilt.
