**FAQ (Frequently Asked Questions):**

**Q: What do I need to do before arriving?**

**A:** Think about what job you are interested in, why it is that you've selected that job, and what your availability to work during the summer will be. If you have time beforehand, submit an application for the desired position at [www.rockvillemd.gov/careers](http://www.rockvillemd.gov/careers). This is preferred, but if not there will be an opportunity to submit one at the event.

**Q: What exactly will I have to do at this event?**

**A:** Applicants will first come in and speak with a management team member, to discuss what job they are interested in pursuing. Then, if needed the applicant will sit down at a computer and complete an application for that job title. Once the application is completed the applicant will demonstrate the corresponding skills (listed above). After the skills have been completed, applicants will select a time/date to come back for an individual interview.

**Q: So, if I come to this, I will get a job?**

**A:** No. This process is designed to assist applicants in increasing their chances of obtaining a summer job. However, simply participating does not guarantee employment. Employment decisions will still be performance based.

**Q: What if I am interested in a position but cannot come on the day of the event?**

**A:** Applicants should apply online ([www.rockvillemd.gov/careers](http://www.rockvillemd.gov/careers)) for a position. Those that apply but are unable to attend will receive an email inviting them to come in for an interview and skills test on another date and time.

**Q: What if I am interested in a lifeguard position but do not have current certifications?**

**A:** We are happy to discuss the details of that at the event. In summary, we offer American Red Cross Lifeguard Training Courses at the facility. A detailed schedule can be found at [www.rockvillemd.gov/swimcenter](http://www.rockvillemd.gov/swimcenter).
