RECOGNIZE SOCIAL SECURITY RELATED SCAMS

From the US Social Security Administration:

On National Slam the Scam Day and throughout the year, we give you the tools to recognize Social Security-related scams and stop scammers from stealing your money and personal information. Share scam information with your loved ones. Slam the Scam!
Recognize the four basic signs of a scam:

1. Scammers **pretend to be from a familiar organization** or agency, like the Social Security Administration. They may email attachments with official-looking logos, seals, signatures, or pictures of employee credentials.
2. Scammers **mention a problem or a prize**. They may say your Social Security number was involved in a crime or ask for personal information to process a benefit increase.
3. Scammers **pressure you to act immediately**. They may threaten you with arrest or legal action.
4. Scammers tell you to **pay using a gift card, prepaid debit card, cryptocurrency, wire or money transfer, or by mailing cash**. They may also tell you to transfer your money to a "safe" account.

Ignore scammers and report criminal behavior. Report Social Security-related scams to the SSA Office of the Inspector General (OIG) by clicking here.
