POLICE CRIME REPORT

REPORTING DOWNED CABLE LINES

If you encounter a communication line hanging down, exposed or out of the ground, or if a pedestal or cable junction box is open, has exposed wires, or is a tripping hazard, you may submit a service request to the Montgomery County Community Technology Office.

Telephone or cable lines can become energized. **Do not attempt to move, relocate, cut or otherwise come in close contact with these wires** unless you have verified they are non-energized through a voltage tester or detector.

Keep yourself and others away and avoid touching anything that may be in contact with the line.

If feasible, **protect the area by placing cones or other barriers around the line to alert pedestrians** and submit a complaint by clicking the "Create Service Request" button at this provided link: [Montgomery County, MD 311 - Answering to You \(montgomerycountymd.gov\)](https://montgomerycountymd.gov/311)

In some cases, on-line service requests will be reviewed the next business day.

If you would like to speak to a Customer Service Representative, please call 311 (240-777-0311 from outside of Mont. County) between 7:00 AM – 7:00 PM, Monday – Friday.

If you have a crime or concern to report, you can call the Rockville City Police Department at:

Non-Emergency: 240-314-8900

Emergency: 9-1-1

We provide a weekly report of serious crime compiled by our agency and occurring within city limits. The “incidents” section does not include incidents with a named suspect.

For all reported incident and call data, visit communitycrimemap.com

ARRESTS

03/14/2023, a male, age 26, was arrested for DUI at the intersection of East Gude Drive & Norbeck Road.
