

RESOLUTION:

To amend the Adequate Public Facilities Standards for the purpose of aligning the Rockville school standards and adequacy test with Montgomery County's school standards and adequacy test and delete the fire and emergency services standard.

WHEREAS, the Mayor and Council of Rockville reaffirms that ensuring the adequacy of public facilities associated with development and redevelopment in the City of Rockville remains a priority of the City; and

WHEREAS, the Mayor and Council of Rockville has determined that certain revisions to its Adequate Public Facilities Standards should be made to align the Rockville school standards and adequacy test with Montgomery County's school standards and adequacy test; and

WHEREAS, the Mayor and Council of Rockville has determined that with no regulatory authority the fire and emergency services standard should be deleted; and

WHEREAS, the Mayor and Council of Rockville has received and considered testimony, recommendations, comments, and observations from the citizens of Rockville, other stakeholders, and from the City of Rockville Planning Commission and has determined that making revisions to its Adequate Public Facilities Standards is necessary and appropriate and in the interest of the health, safety and welfare of the public.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF ROCKVILLE, that the attached document titled Adequate Public Facilities Standards, dated November 13, 2017, is hereby adopted as the standards to evaluate the adequacy of public facilities to serve proposed new development and redevelopment.
