

How to Register for Loginless Material Self-Reporting

1. Follow the URL provided by your water utility to access the service line material reporting webpage. This will direct you to a page similar to below:

The screenshot shows a web interface for 'Demoville'. At the top left is the title 'Demoville' and at the top right is the trinnex logo. Below the title is a language selection dropdown menu with a globe icon, currently set to 'English'. The main heading is 'Report Service Line Material'. Below this is the instruction 'Log into your account or continue below' followed by a dark blue 'Login' button. A horizontal line separates the login section from the registration section. The registration section starts with the question 'Do you have a Registration Code?' followed by two radio buttons: 'Yes' and 'No'. At the bottom, there is support contact information: 'For support, please contact us at customersupport@trinnex.io or call 617-452-6000'. The footer states 'Powered by leadCAST™' with the leadCAST logo.

2. If you already have created an account with leadCAST, you may login using the login button. Otherwise, if you received a registration code from your utility follow Step 3. If you did not receive a registration code, go to Step 6.
3. If you received a registration code select 'Yes' and enter the code in the text box. Next, choose the property address that you are submitting a material report for. Finally, provide an email address that can be used to send a verification code to you.

4. Enter the email code sent to the provided address when prompted.

A web application interface for Demoville. It shows a language selection dropdown set to English. The main heading is "Report Service Line Material". Below this, it says "Please enter your verification code". There is a text input field labeled "Verification Code" containing the number "816254". Below the input field are two buttons: "Next" and "Cancel". Below these buttons is a "Resend Code" link. At the bottom, there is contact information: "For support, please contact us at customersupport@trinnex.io or call 617-452-6000". The footer says "Powered by leadCAST™".

5. Follow the prompts to complete your material evaluation.
6. If you did not receive a registration code from your utility, select 'No' when asked for a registration code, enter the property address you are submitting a material report for, and enter an email that you can be reached at.
