

Croydon Creek Nature Center

Scout Programs

Scouts have always had close ties with the natural world and learning to be good stewards of our planet. Croydon Creek Nature Center is happy to continue this tradition with nature-related badgework for scouts of all ages!

These badge specific programs are 60-90 minutes in length and contain both indoor and outdoor elements to provide hands-on, immersive learning experiences. The cost is \$8 per child for troops registered within Rockville city limits and \$10 per child if outside Rockville city limits. There is a \$100 minimum program fee.

We offer the following pre-designed programs that will fulfill most, or all, of the badge requirements:

Boy Scouts of America

- Cub Scouts
 - Tigers: Champions for Nature
 - Wolves: Champions for Nature
 - Bears: Champions for Nature
 - Webelos: Earth Rocks!
 - Arrow of Light: Into the Wild
 - Arrow of Light: Into the Woods

Girl Scouts of America

- Daisy: EcoLearner
- Brownie: Math in Nature
- Junior: Animal Habitats

Volunteer clean-up opportunities are also available upon request.

Don't see the badge you're looking for? We can create a customized program for an additional fee.

Don't need a badge specific program or have a large, mixed-age group? Our animal encounter program might be right for you.

Contact us to discuss program options.
