PROGRAM ACCESS: ADA

WHAT IS INCLUSION?

The Rockville Department of Recreation and Parks welcomes individuals with disabilities to participate alongside their peers in recreation programs and activities. Inclusion is supported through disability modifications provided by program access staff.

EXAMPLES OF DISABILITY MODIFICATIONS

Modifications to promote successful participation include:

- Staff training.
- Enhanced staff-to-participant ratios.
- Sign language interpretation.
- Adaptive equipment and supplies
- Accessible transportation (if part of a program).

While inclusion staff may increase the staff-to-participant ratio, they may not have specialized degrees in special education. They are selected for their ability to be patient, to be creative and to adapt activities to participant needs, advocating for equal access to all activities. Individualized programming or separate spaces are not provided.

MINIMUM REQUIREMENTS FOR INCLUSION

Participants with disabilities must meet the same minimum requirements as other participants:

- Meet age and registration criteria.
- Follow conduct rules (with or without modifications).
- Engage in scheduled activities for most of the program time.
- Communicate basic needs using a consistent method.
- Participate voluntarily.
- Function as part of a group of 12 or more with support as needed (some camps have up to 50 campers — email camps@rockvillemd.gov to confirm group size).

SERVICES NOT PROVIDED AS PART OF INCLUSION

Program Access does not include:

- Separate program activities.
- Exceptions to safety rules.
- Guaranteed assignment of specific staff.
- Individualized therapy.
- Personal care or hygiene assistance.
- Provision of personal custom devices.

IS AN INCLUSIVE SETTING RIGHT FOR YOUR CHILD?

Consider the following questions:

- Are they prepared for inclusive activities based on their current school environment?
- Do they have an interest in the program's activities?
- Can they function appropriately in community settings (e.g., pools, parks) with or without assistance?

REQUESTING A DISABILITY MODIFICATION

- Register online and select the appropriate modification when prompted at checkout.
- Watch for an email from our office with more information or contact camps@rockvillemd.gov for additional assistance.
- Provide at least three weeks' notice to arrange program modifications.

This publication is available in alternative formats by contacting the City of Rockville ADA coordinator at 240-314-8108 or MD Relay, 7-1-1.

ALTERNATIVE OPTIONS

The Rockville Department of Recreation and Parks recognizes that some individuals may benefit from structured programs for those with disabilities. Montgomery County Recreation offers Therapeutic Recreation camps and programs. Contact rec.inclusion@montgomerycountymd.gov or 240-777-6840 for details.

PROGRAM INFORMATION

CAMP INFORMATION AND DETAILS

Camp information will be emailed 10 days prior to each camp week/session. This will include a list of what to bring to camp each day, details on swimming and field trips (if applicable) and links to mandatory forms. Information and forms may also be accessed at rockvillemd.gov/camps. Email camps@rockvillemd.gov with any questions.

CAMP LOCATIONS AND CLOSURES

Locations may be changed or canceled due to facility availability and MCPS scheduling. Families will be notified of program changes. Most camps will be held rain or shine. On Code Red or Heat Advisory Days, outdoor programs will provide calm activities, water breaks and rest periods. In the event of severe weather or other emergencies, alternative locations will be provided when possible.

AGE REQUIREMENT

Participation in most programs is based on child's age as of Sept. 1, 2026 (per MCPS).

HOLIDAYS

Camp will not be held on Friday, July 3 in observance of Independence Day. Fees have been prorated.

Residents are those individuals residing within the city's corporate tax limits and therefore pay the resident rate for camp fees.

Verify your residency to determine your program fee with the Address and Residency Check map at rockvillemd.gov/services.

Do not assume that a Rockville mailing address is within the city's corporate tax limits. Proof of residency may be requested via driver's license or water bill.
