## Lifeguard Training Schedule Winter / Spring 2026

### Become a Lifeguard!

The American Red Cross Lifeguard Training course prepares students for certification in Lifeguard Training, CPR/AED for the Professional Rescuer, and First Aid. Students **must be 15 years old by the last day of the course** (proof of age required) and **pass a pre-screen test** (Complete a continuous swim-tread-swim sequence: Jump into the water, submerge, resurface and swim 150 yards (using the front crawl, breaststroke or a combination of both), stop and maintain position with head above the surface of the water for 2 minutes by treading water using only the legs, then swim 50 yards using the front crawl, breaststroke or a combination of both. Complete a timed event within 1 minute 40 seconds by starting in the water, swimming 20 yards, surface dive (feet-first or head-first) to a depth of 7 to 12 feet to retrieve a 10-pound object, and return to the surface and swim 20 yards on the back to return to the starting point holding the object at the surface with both hands exit the water without using a ladder or steps. Goggles can be used for the swim-tread-swim, but not for the timed brick retrieval event) on the first day of the session in order to continue participation in class. If a student does not pass the pre-screen, a course fee refund, minus a \$15 administrative fee, can be issued. Class sessions will be held at the Rockville Swim and Fitness Center (355 Martins Lane, Rockville, MD 20850). A detailed Course Schedule / Syllabus will be provided on the first day of class. Students MUST attend all class sessions as scheduled.
