

**CPR/AED for the Professional Rescuer
& First Aid Class Schedule
Fall 2026**

CPR/AED for the Professional Rescuer and First Aid

The American Red Cross CPR/AED for the Professional Rescuer and First Aid program helps to train professional-level rescuers recognize and respond appropriately to cardiac, breathing, and first aid emergencies in adults, children and infants. The courses in this program teach the knowledge and skills needed to give immediate care to an injured or ill person and to decide whether advanced medical care is needed. This class is geared towards those working in the recreation / fitness industry, health professionals, technicians, lifeguards, daycare employees, camp counselors, babysitters, parents, and anyone responsible for the care of someone else. Attendance at all class sessions is required. This class has an online learning component (approximately 8 hours) required to be completed before the first in person class. **Online link to be distributed to students via email.**
