Plans Resubmission Form

Amendment - Changes made to the drawings or supporting documents while still under review. In most cases, they come in as corrections made following initial or subsequent plan review comments. A full set of drawings with the corrected information bubbled shall be provided. Beginning July 1, 2026, fees will be assessed for the third and subsequent reviews

Revisions - After ISD plan review approval. Only revised pages and specifications shall be provided. Applicants are to pay revision fees in accordance with our adopted fee schedule.
